

HOW TO CLEAR AND PREPARE THE ROOM

CLEARING AND PREPARING THE ROOM FOR RA~SHEEBA

The "Clearing" is to be done BEFORE a RA~SHEEBA session and a RA~SHEEBA Attunement.

This is to prepare a "Vortex" for the energy to come in. You will feel the Vortex opening as your hands and arms become heavy.

To Clear the Room

Hold your arms and hands skywards and walk in an ANTI-CLOCKWISE direction around the ENTIRE room THREE times.

As you are walking around the room, ask for the MASTERS of RA~SHEEBA and the MASTERS from the Great Central Sun to be present. Also ask your ANGELS and GUIDES to be present as well as your DRAGON COMPANIONS.

NB: Clearing of a room, teaching Attunement and the giving of RA~SHEEBA should ONLY be done by a RA~SHEEBA MASTER.

If the room that you are using for Ra~Sheeba is one that you regularly use as a healing room, you only need do the clearing ONCE. (not every session). If it is a room that you have hired, you will need to clear it for a session or a workshop.

You will find in using the symbols of RA~SHEEBA that it is the SYMBOL that is of the utmost importance. The more you use the symbols, you will find you INTUITIVELY draw the symbols and will not concentrate so much on things like the following:- if the circle is clockwise or anti-clockwise.

Be guided by your skill and intuition. By your Guides and Spirit. Be guided by the needs of the client, they will guide you as well.
