THE ANCHOR

Drawn STARTING at the BASE CHAKRA to below the FEET
Line 4 is drawn ACROSS THE BASE CHAKRA
Line 5 and 6 come into the NAVEL
Then PUSH INTO NAVEL.

This symbol is to re-strengthen the connection chords to Mother Earth. It is in the shape of an anchor.

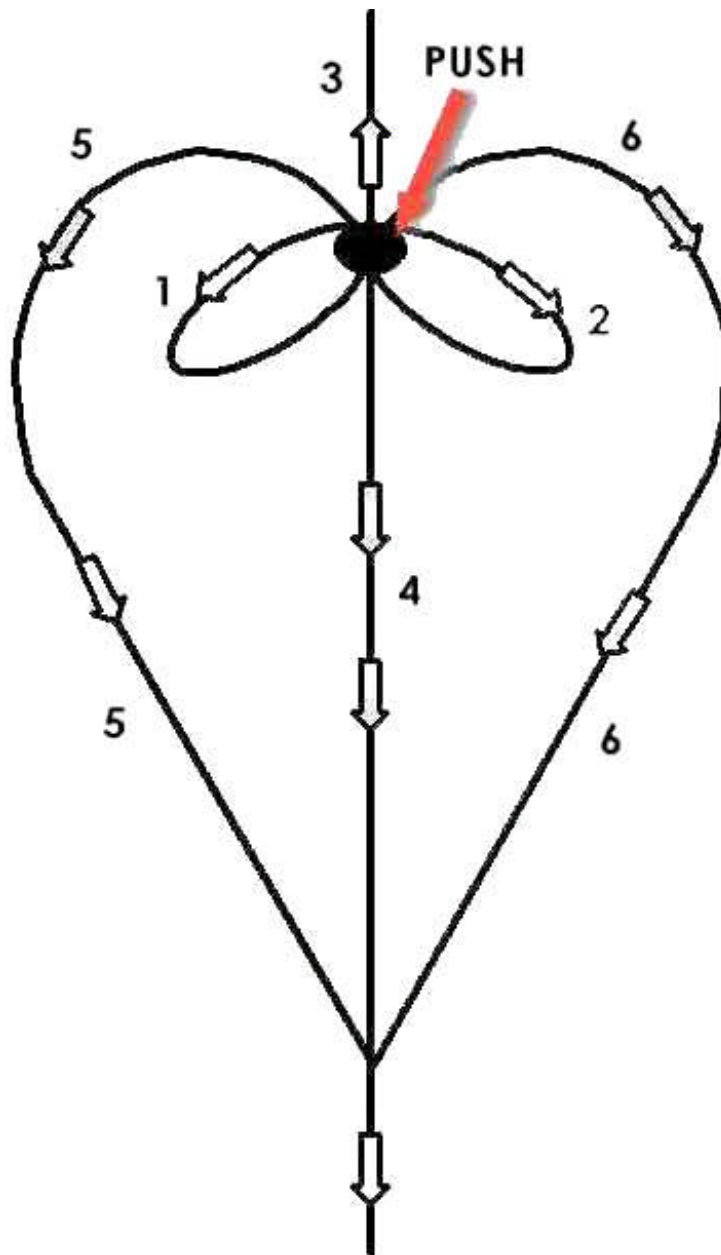

This is a symbol for ones who have spent a long time on this planet. When we come in our Life Force is very strong and as we use a lot of energy over the years the Life Force begins to fade and so a boost is needed. As you are all carrying the vibration of Crystal then this symbol activates your connection to the Great Mother as she herself has been going through great changes and now has a new Life Force that connects once this symbol has been activated.

DIVINE UNION

Over the Thymus

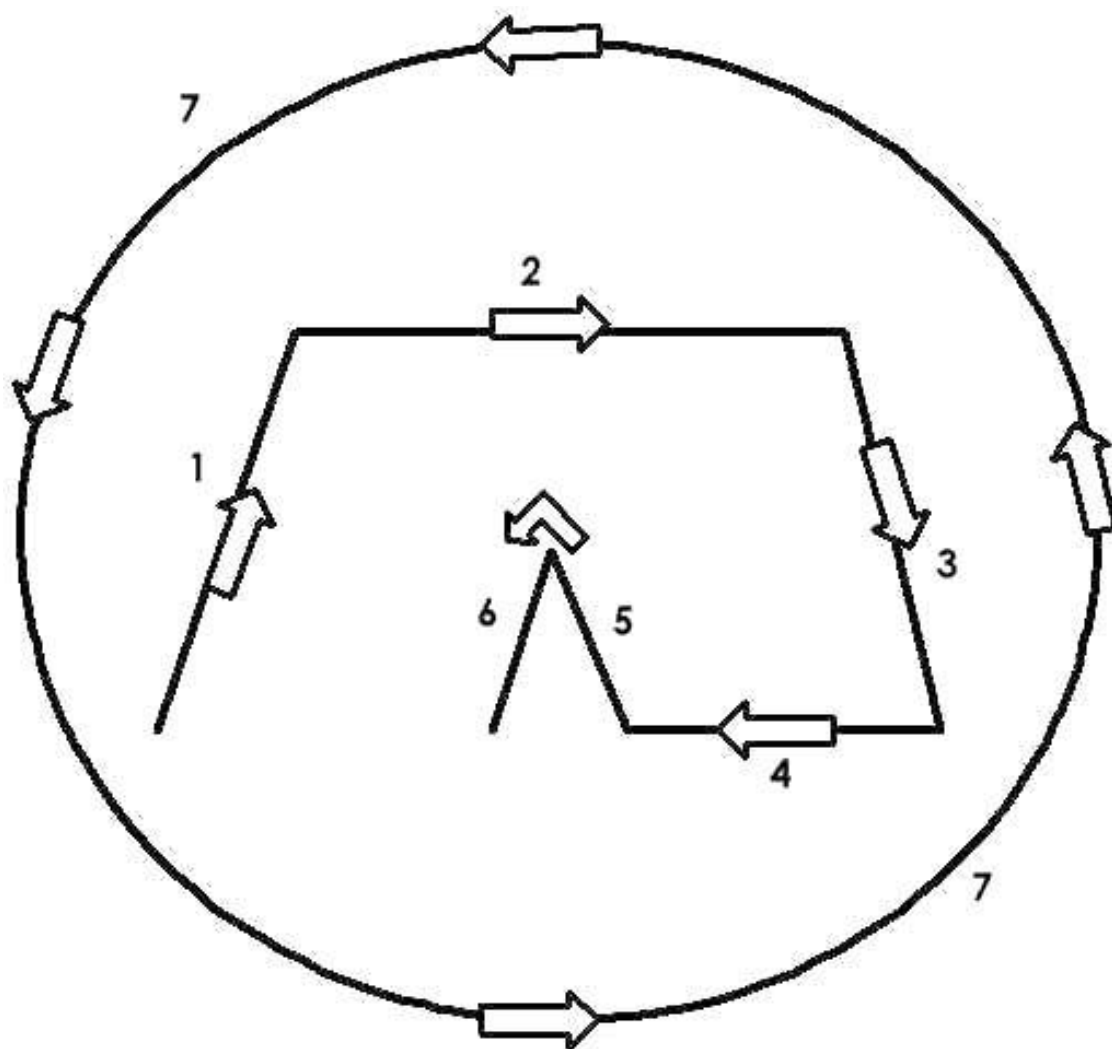

The Key to open the Passage Way

RA-KI

Over the Third Eye

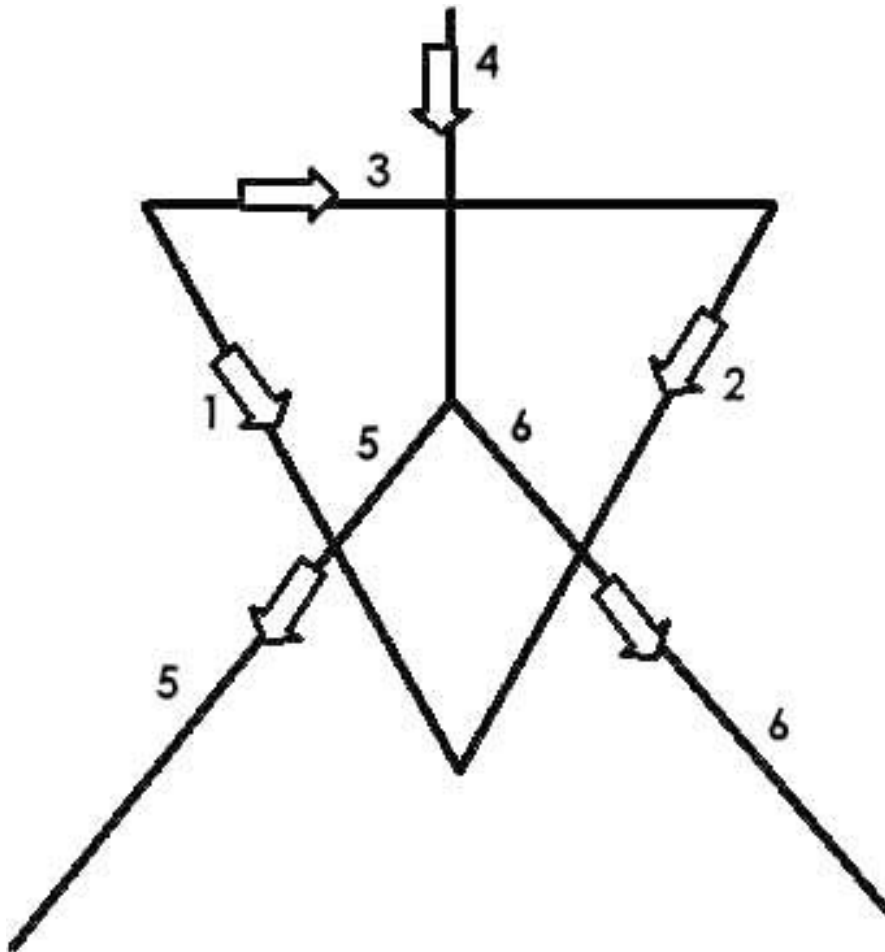

Is the Passage Way traveling to Divine Light

ORDER OF THE SERPENT

Over the Entire Body

Love Aspect. Turning on (creating) of new Chakra

ARAVA - The Grant

ANTKAH - The Way

KOF-KAR - The Emergence

These are the three symbols that will complete the union of sexuality bathed within the Divine Light. They are three that came after the others but are a part of ORDER OF THE SERPENT.

Truly, now will your understanding, your power and your blessings be increased!

The time of acceptance is at hand and all those who are to move forward will be washed in this loving light.

It is not by mere chance that there are three symbols here. This its self stand for the great union. Of Male/Female/Spirit, forming as ONE WHOLE COMPLETE and PERFECT SELF.

ARAVA - The Grant

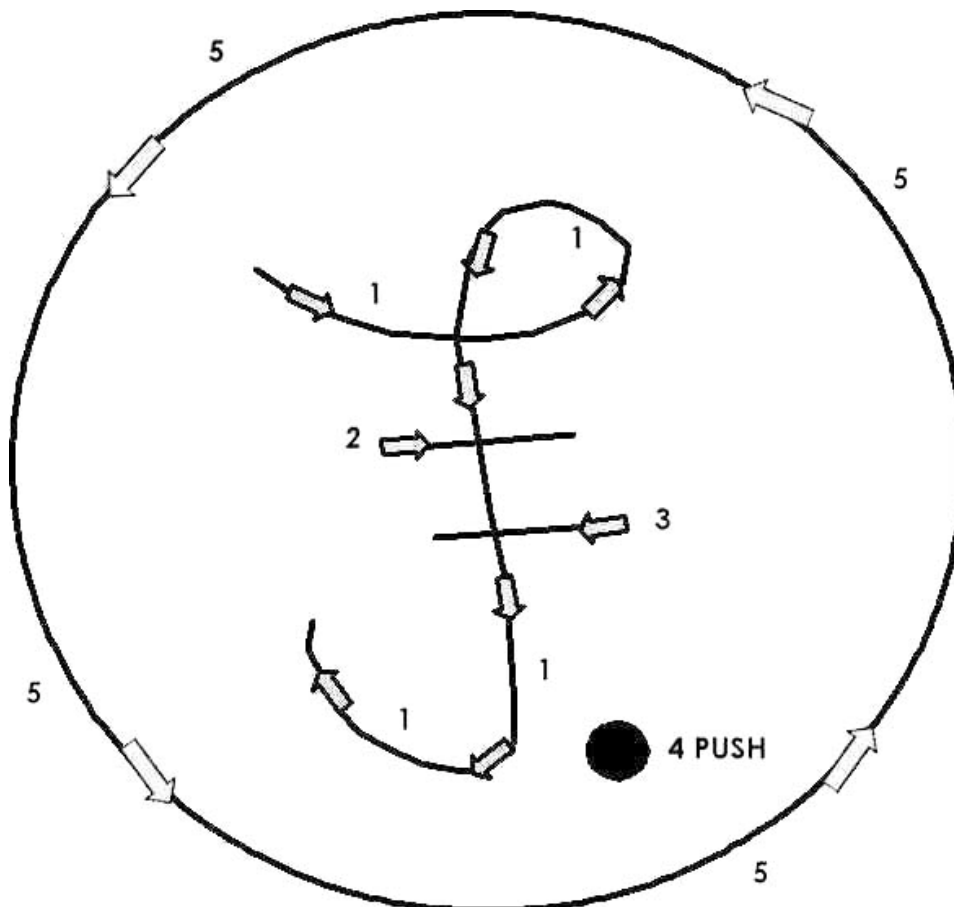

Over the Sexual Chakra
Then encircle the body and seal it in

This is a truly joyous symbol, indeed it is a great gift to all of humankind.

As with all the symbols in this group, they are to be drawn over/including the Sexual Chakra, then deeply implanted in the body by encircling the whole body.

The Grant clears all of the negative, unclean and confused energies flowing in our sexual system. It will have a strikingly positive effect releasing long held fears and beliefs. This will free up the flow of energy, which then will be able to be directed correctly.

Use well, wisely and with Love.

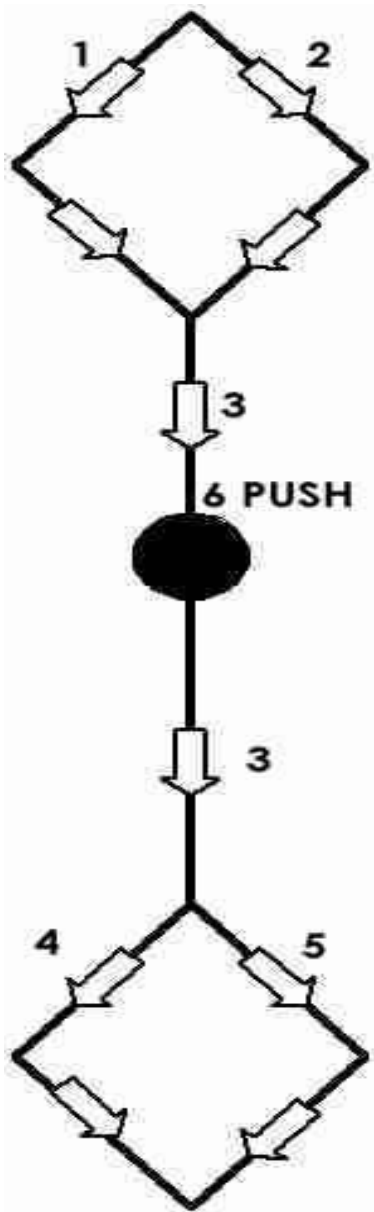

ANTKAH - The Way

From the CROWN CHAKRA to the FEET and
over the Sexual Chakra

Then REVERSE by drawing from the
bottom to the top.

The PUSH (6 - POWER CHAKRA) is added
after drawing this in Reverse.

Like a soft motherly touch comes this symbol, from the implanting and use of this will come guidance and direction to energies long forgotten that are stored within you all.

The ability to guide these great energies will shine from you and become a beacon to all. Much is to be learned and gained from this step. In Love take the time you need with it.

Draw all you need to and within you. Go and enjoy !!!!!!!!!!!!!!!!!!!!!!!

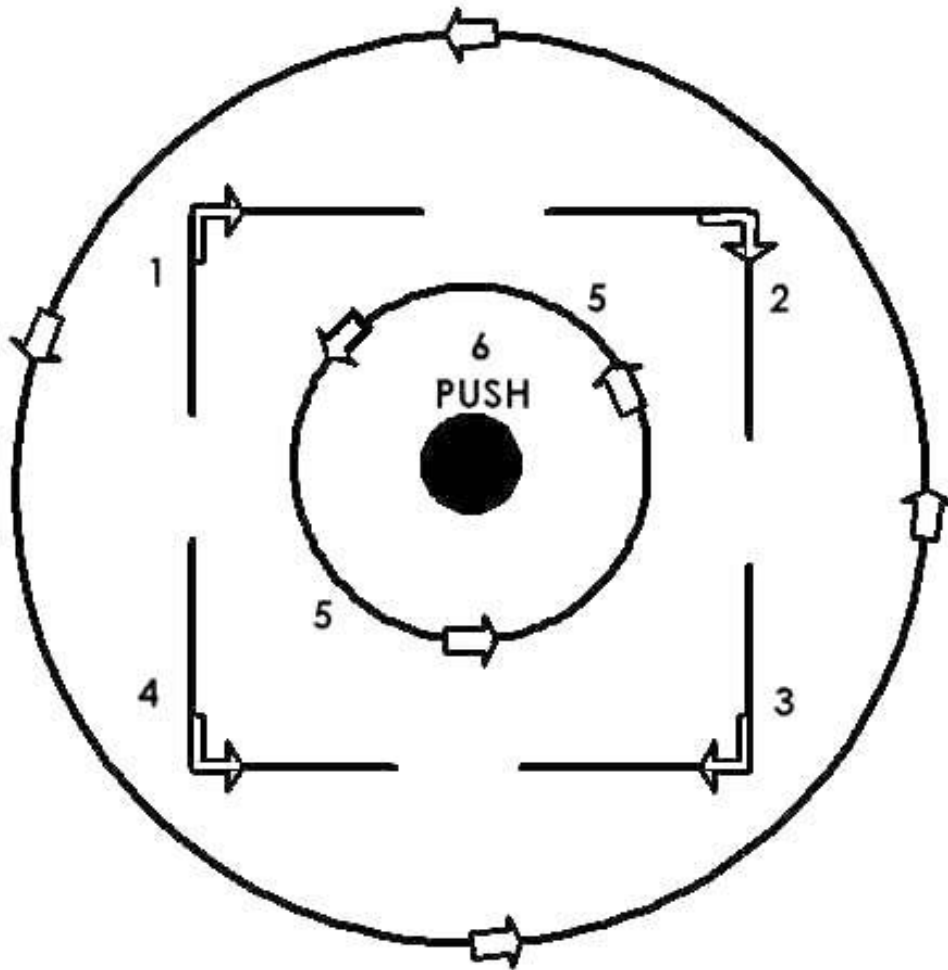

KOF-KAR - The Emergence

Over the Sexual Chakra
Then encircle the body and seal it in

This final symbol will aid you towards your goal of being at peace and within control of the newest vibration that will emerge from all that use this set of symbols.

As with control, so come responsibility, compassion and understanding. This must flow from you all.

Like new born butterflies bursting forth, so you will all be.

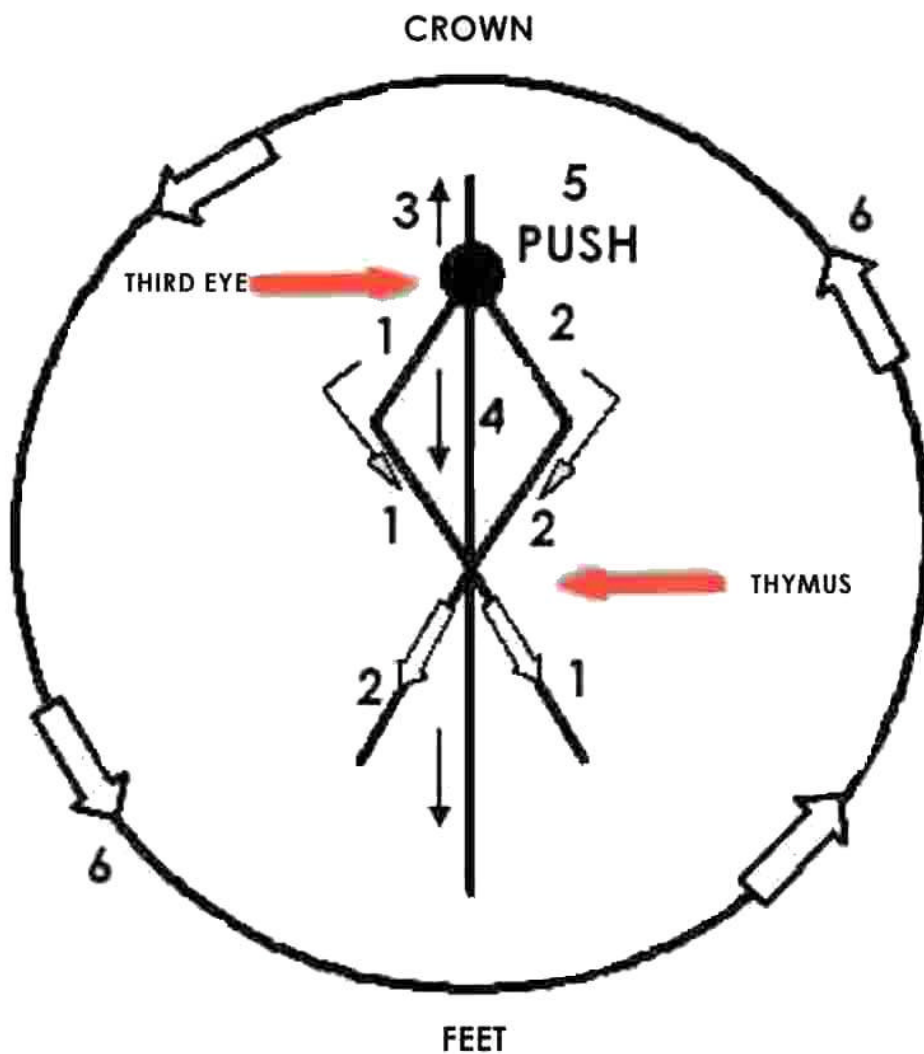

ANNU-BA

Drawn from the CROWN CHAKRA to the FEET
The encircle the whole body

Pouring Out. Spinning – activating Love only at all times

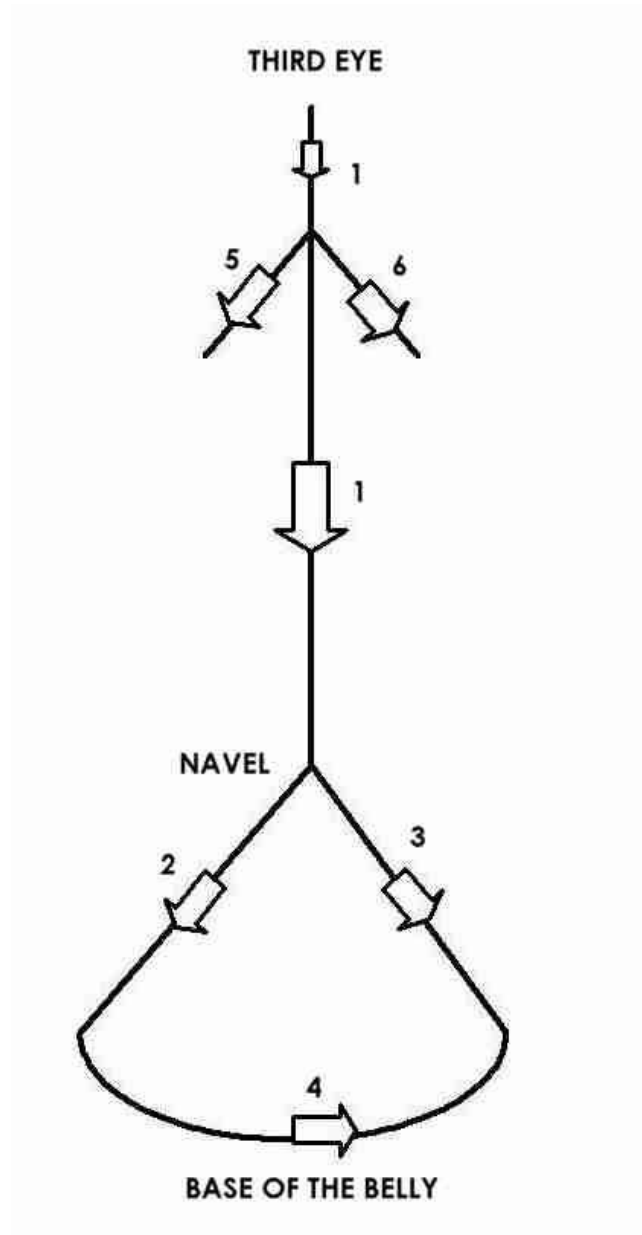

This symbol is to connect to the Inner Peace of the Thymus. Much work is being done on the Thymus. This will help to continue with the path back to True Love and Light. Another part of the DNA is being turned on.

ACK-BA

Drawn from the THIRD EYE to the BOTTOM OF THE BELLY

Bliss. Result of these new Chakras

SO-FA

Drawn from the CROWN CHAKRA to the FEET

This symbol represents the cementing of the desired change of DNA for activation

This has been given at this time for all to get familiar with the other symbols and especially The Anchor.

Now it is complete
