

CHANNELLING PEN GOUGH 17 NOVEMBER 2003

Greetings oh daughter of mine

There is indeed a new section for you all. It is part of the "Order of the Pharisee". You are all Masters, Teachers and Students.

The Activating Divine Light is a process that may take some time to be fully activated, but you continue to surprise us, and so it may not be as long as we anticipate. So the energy is being prepared for you to receive the next section.

The Order of the Pharisee is a teacher symbol and it was recognised by those who were teachers and scribes in past incarnations. The symbols to follow will activate the wisdom held within you all and so you will become the Teacher and the student.

They will be a "path-maker". They will illuminate the path for you to follow to re-activate the wisdom that you all hold and will bring you back to the Divine Being that you are.

Be patient and await the return of these Divine Symbols which will be received by Peter at the appropriate time.

You are all dearly loved

Pen Gough
