

THE DRAGON VOICE

When we are giving a Ra-Sheebea there are many beings that “arrive” to help with the changes that the client will experience. They bring along with them different energies representing different aspects of our Being. One of those beings is the Dragon.

It was recently told to me that the Dragon symbol in the Attunement process was about manifestation. So I asked Pen Gough if this was so. He told me that yes, while it does represent manifestation, it also brings in magic. That is how we humans see our full power – manifesting magic. We do have the power to manifest and the Dragon Energy “helps” in that area.

The Dragon Voice is then to do with our power – our magic – our manifestation. The Dragon Voice comes from our Power source deep in our belly and up through the voice. It can come out as “toning”.

It usually starts at a low “Ohhhhh” and can build up to quite a high and loud “Ohhhhhh” OR it can be just a “Heeeee”. I have experienced it turning into an “SSsssssss”.

At first you may be a little self-conscious, but all that have tried it have been surprised at the ability of holding that tone for quite some time.

The Dance of Light and Vibration and the Dragon Voice is a matter of stepping away from the client so that you are still in the energy field but not right up close to the physical body, and “move” around the body blowing the Voice.

HOW DO YOU DO THE DRAGON VOICE??????

Instructions are on the next two pages.

Discuss with your client BEFORE you do The Dragon Voice so they have an understanding of what you are going to do. Also let them know that you will be asking them questions which need to be replied to in the Affirmative.

Standing at the CROWN of your client, raise your arms high and ask for your Dragon Companion (if you have one), your Guides and the Masters of Ra~Sheeba to be with you and the client.

Begin by stating:

"LET YOUR YES MEAN YES
AND YOUR NO MEAN NO"

Then ask your client:

"ARE YOU READY, WILLING AND ABLE
TO TAKE ON A HIGHER VIBRATION?"

Your client to respond:

"I AM READY, WILLING AND ABLE
TO TAKE ON A HIGHER VIBRATION"

Then ask your client:

"ARE YOU READY, WILLING AND ABLE
TO COME INTO YOUR FULL POWER?"

Your client to respond:

"I AM READY, WILLING AND ABLE
TO COME INTO MY FULL POWER"

Bring in the new Energy

- Arms to be raised as high as can be. Wait until you feel the Energy engulf you. This may take a minute or two.
- Move to the side of your client and begin to blow/tone with the Dragon Voice over the whole body.
- Repeat at least 3 times or more if directed.
- Then dance the dance of light and vibration while directing the Dragon Voice into the energy field of your client. (It is not necessary to direct over the client but certainly is necessary to direct it into their energy field.)

This will be the shifting of their vibration. This will be an expanding of their energy field.

When you feel it is an appropriate time, ask your client:

“ARE YOU WILLING TO ACCEPT THIS LIGHT AND VIBRATION?”

Client to respond:

“I AM WILLING TO ACCEPT
THIS LIGHT AND VIBRATION”

Then ask:

“ARE YOU WILLING TO SHINE THIS LIGHT
FOR ALL TO SEE?”

Client to respond:

“I AM WILLING TO SHINE THIS LIGHT
FOR ALL TO SEE”

Then say:

“BATHE IN THE LIGHT”

Allow your client to stay as long as you feel the Energy present.
